Segment	Definition	Purpose	Link	Page(s) to reference	Explanation of how this is relevant to the project
Problem Definition	Defining the problem	Planning the key elements for the project	https://github.com/jginjupa/cse-321/blob/main/problem%20defination.pdf	https://www.apartmenttherapy.com/hot-tip-use-a-humidifier-105471	This gives me an idea if the idea I think will actually work.
BOM	Bill of material	To know how much the project costs.	https://github.com/jginjupa/cse-321/blob/main/BOM.xlsx	Already referenced all the material in the spreadsheet	This gives an approx of the total project cost.
Plan	Plan on how the device works	Gives an idea to us where to start and how it works	https://github.com/jginjupa/cse-321/blob/main/plan.pdf	None	Helps us to get started on the project and also gives the users an idea on how the device works
